Pasadena, CA 91124

Subject: Clean Water Act Compliance at the South Bay International Wastewater Treatment Plant  
SCH#: 2005014002

Dear Rosemarie Crisologo:

The State Clearinghouse submitted the above named Draft EIS to selected state agencies for review. The review period closed on February 28, 2005, and no state agencies submitted comments by that date. This letter acknowledges that you have complied with the State Clearinghouse review requirements for draft environmental documents, pursuant to the California Environmental Quality Act.

Please call the State Clearinghouse at (916) 445-0613 if you have any questions regarding the environmental review process. If you have a question about the above-named project, please refer to the ten-digit State Clearinghouse number when contacting this office.

Sincerely,

Terry Roberts  
Director, State Clearinghouse

**Document Details Report  
State Clearinghouse Data Base**

**SCH#** 2005014002  
**Project Title** Clean Water Act Compliance at the South Bay International Wastewater Treatment Plant  
**Lead Agency** International Boundary and Water Commission

---

**Type** EIS Draft EIS  
**Description** The United States Section of the International Boundary and Water Commission (USIBWC) proposes to implement modifications to the South Bay International Wastewater Treatment Plant (SBIWTP) that would enable the facility to comply with the Clean Water Act and provisions of its National Pollutant Discharge Elimination System (NPDES) permit. The Draft Supplemental EIS evaluates alternatives for treatment of sewage flows from Tijuana, Mexico that cross into the U.S. along the U.S. border in San Diego County. The USIBWC is evaluating options for providing secondary treatment at the SBIWTP; or for another entity, either private or public, to provide secondary treatment, or by some other means.
